Product no.: no-103

OCR HORIZONTAL LADDER - SINGLE

Product number: no-103

Dimensions: W123 x D290 x H230 cm

Material: Steel

Corrosion class: C4 - Rust and corrosion-proofed, powder coated

Colour: Choose from 180 UV-stable RAL colours

Description:

The OCR Horizontal Ladder is 2.3 meters high and consists of 4 vertical steel tubes with a diameter of 11.4 cm and a 90-degree bend at the top. A stainless steel rib is mounted horizontally between the four vertical supports. A step plate is attached to one leg to help the user reach the rib. To ensure a long lifespan and an environmentally friendly surface treatment, the four vertical posts are e-painted and subsequently powder-coated. The stainless-steel components are electropolished.
