OCR HORIZONTAL LADDER - DOUBLE

Product number: no-104

Dimensions: W235 x D290 x H230 cm

Material: Steel

Corrosion class: C4 - Rust and corrosion-proofed, powder coated

Colour: Choose from 180 UV-stable RAL colours

Description:

OCR Horizontal Ladder - Double is 2.3 metres high and consists of 6 vertical steel tubes with a diameter of 11.4 cm and a 90-degree bend at the top. Two stainless steel ribs are mounted horizontally between the six vertical posts. A step plate is attached to one leg to help the user reach the rib. To ensure long life and environmentally friendly surface treatment, the six vertical posts are e-painted and subsequently powder-coated. The stainless steel components are electropolished.
