OCR INCLINE WALL - SINGLE

Product number: no-105

Dimensions: W123 x D419 x H85 cm

Material: Steel, hardwood and Taifun rope

Corrosion class: C4 - Rust and corrosion-proofed, powder coated

Colour: Choose from 180 UV-stable RAL colours

Description:

OCR Incline Wall - Single consists of 4 steel tubes with a diameter of 11.4 cm, bent at 90 degrees at the top. It also consists of 3 wooden frames made of hardwood measuring 1 x 1.2 m and rope made of Taifun. Two tubes are located between the four vertical posts to which the three wooden frames are attached. A rope made of Taifun is attached in the middle of the wooden frames. To ensure long life and environmentally friendly surface treatment, all steel parts are e-painted and subsequently powder coated.
