Product no.: no-112

OCR OVER UNDER - OVER BEAM

Product number: no-112

Dimensions: W155 x D12 x H130 cm

Material: Steel

Corrosion class: C4 - Rust and corrosion-proofed, powder coated

Colour: Choose from 180 UV-stable RAL colours

Description:

OCR Over Under - Over Beam: is 1.3 metres high and consists of two vertical steel tubes with a diameter of 11.4 cm and a 90-degree bend at the top. Between the two vertical posts is an electropolished stainless steel tube that can withstand the repeated wear and tear of frequent use in all weathers and different footwear. To ensure a long lifespan and environmentally friendly surface treatment, the two vertical posts are e-painted and subsequently powder-coated. The stainless steel components are electro-polished.
